

# Universal Kiosk XL

## The Future of Payment Technology

Based on the popular Genmega Universal Kiosk, the new UK-XL model is built on a new larger chassis which allows flexibly to integrate even more devices and options suited to your transaction solution. Continuing with the modern eye-catching design of the UK, the XL version includes a large 21.5" vertical touch-screen to attract attention and provide a unique interface to your customers.

This XL chassis can support wider array of components including a 4 cassette cash dispenser, a bulk-type bill acceptor, and coin dispensers in addition to the standard interface devices including an EMV card reader, 3" receipt printer and PCI certified keypad, all useful for a variety of financial transactions. The XL can also be fitted with a barcode scanner, check scanner, ticket printer, fingerprint scanner among a host of other possibilities.

Whether used for Bill Payment, Product Purchase, Facilitating Transactions or even as an Information Source, the UK-XL can be custom tailored to a specific application and is the perfect platform to showcase your solution and provide the best customer experience.

## UPS

APC350, Input 120V 50~60Hz  $\pm$  3Hz,  
210W/350VA

## FP scanner (Optional)

U.are.U4500, USB Interface

## Topper (Optional)

High Brightness Topper

## HD cam

1.3 Mega pixel  
(Max Resolution : 1280 x 1024)  
View angle diagonal : not less than 120°  
Still Capture Format : JPEG

## CPU

Intel Pentium Processor i5-3550  
(Quad-Core)  
Windows 7 Professional  
2.5" 500GB Hard Disk Drive  
4GB Memory

## ADA

Voice Guidance  
Lighted Transaction Guidance  
Accessible Keypad Layout

## Check Scanner

Image quality  
- 200 dpi Monochrome  
- 400 dpi 24 Bit Color (optional)

## Card Reader

EMV (Dip type)  
MS-RW Dual CIS Scanner (optional)

## Cash Dispenser

4 x 3000 Note Removable Cassette  
Presenter module

## Security

Electronic Lock  
A-series Lock (Optional)  
Cencon Lock (Optional)

## Dimensions

Height = 65"  
Width = 20.8"  
Depth = 27.9"  
Weight = 595 lbs

## Power Requirements:

AC 110/220V  $\pm$  10%, 50/60 Hz, 145 Watts
